

Motor Vehicle Technician
Croydon 202010

Job Description

This is an exciting opportunity for a talented Motor Vehicle Technician to join one of the UK's leading vehicle rental specialists, working from our busy flagship site in Croydon; the market-leading salary on offer reflects just how well this site is doing. This is fantastic opportunity for a Technician who likes to be busy but in friendly environment. If you are always hungry to learn new skills, then there will be plenty opportunities for continuous professional development going forward such as Hybrid and Electric Training or Engine Rebuild.

Your role, as Motor Vehicle Technician, is about supporting our customers to deliver on their business promises. Your aim; ensuring we get their vehicle back on the road safely and in quick time.

Part of a team of 7 technicians, you will undertake maintenance, servicing and warranty work for a fleet of over 1200 vehicles. The 2nd largest site in the group, Croydon is one of our top 10 busiest UK sites with a broad client base and constantly changing workload - it is an exciting place to be. The Croydon site has seen considerable growth over the last 4-5 months, making the workload for technicians varied yet consistent.

Key to your success is your ability to produce work that complies with the highest technical and quality standards and, above all, helps us deliver on our service commitment to customers. The team at Croydon are highly engaged and have a friendly and motivated culture, so we are looking for these qualities in our new Team Member.

About you

- You are a qualified Vehicle Technician with a solid workshop background – whether the job at hand is routine servicing or a more complex diagnostic, you will know just how to solve it.
- You come from a fast-paced background – you know how to work in a standard job time structure with a focus on producing compliant, high-quality work.
- You enjoy a broad mix of work - with servicing, general maintenance, warranty work and recalls across a wide range of vehicles in our fleet, you can be sure every day will present you with a new challenge
- You get involved in every part of our business – you take pride being part of the Northgate team and are keen to help colleagues with a hands-on, can-do approach to getting things done.
- You take pride in providing a great customer experience each day - you understand what is important to your customers and enjoy having a face-to-face relationship with them.

As Motor Vehicle Technician, we offer:

- A competitive starting salary with quarterly bonus scheme.
- Additional employee benefits (including employee assistance, life assurance, pension, retailer discounts etc.)
- A clear career development pathway and our commitment to supporting your professional development through in-house and industry-recognised training.
- The opportunity to work with and service world-renowned automotive brands including Ford, Mercedes and Vauxhall.
