

**Mobile Motor Vehicle Technician**  
**Various Locations 2020/10**

This is an exciting opportunity for an experienced Motor Vehicle Technician to join one of the UK's leading vehicle rental specialists within our Mobile Technician Team.

Your role, as a Mobile Motor Vehicle Technician, is about supporting our customers to deliver on their business promises. Your aim; ensuring we get their vehicle back on the road safely and in quick time.

You will be out on the road, supporting both branch colleagues and customers with exceptional servicing, repairs, safety inspections and fault diagnosis for our fleet of light commercials and cars. While your customer and 'workplace' may be different each day, we expect you to consistently deliver work that complies with the highest technical and quality standards and, above all, helps us deliver on our service commitment.

This is a rare opportunity for an experienced Vehicle Technician looking for a change from a workshop environment, or an experienced mobile technician looking for the next step.

**About you**

- You are a qualified Motor Vehicle Technician with a solid workshop or mobile based background – whether the job at hand is routine servicing and maintenance or a more complex diagnostic, you will know just how to solve it.
- You come from a fast-paced background – preferably, you will have some mobile or remoted technician experience but what is more important is that you know how to work in a standard job time structure with a focus on producing compliant, high-quality work.
- You have a flexible attitude always willing to go the extra mile to get the job done.
- You get involved in every part of our business – you take pride being part of the Northgate team and are keen to help colleagues with a hands-on, can-do approach to getting things done.
- You take pride in providing a great customer experience each day - you understand what is important to your customers and are able to deal with all types of people during your working day.
- 

**As a Mobile Motor Vehicle Technician, we offer:**

- A competitive starting salary of up to £28k (based on your experience and technical knowledge)
- A company van, PDA, uniform, PPE and larger tools to excel in this role, you will be expected to supply your own hand tools. (which are fully insured by the company)
- Additional employee benefits (including employee assistance, life assurance, pension, retailer discounts etc.)
- A clear career development pathway and our commitment to supporting your professional development through in-house and industry-recognised training.
- The opportunity to work with and service world-renowned automotive brands including Ford, Mercedes and Vauxhall

**Be part of the future of vehicle rental**
