

Motor Vehicle Technician

Milton Keynes

This is an exciting opportunity for an experienced Motor Vehicle Technician to join one of the UK's leading vehicle rental specialists in our busy, growing site in Milton Keynes.

Your role, as Motor Vehicle Technician, is about supporting our customers to deliver on their business promises. Your aim; ensuring we get their vehicle back on the road safely and in quick time.

The workshop in Milton Keynes delivers maintenance, servicing and warranty work for a fleet size over 1,110 vehicles, with the number of vehicles on hire increasing. The branch has a high number of 'walk-in' customers, as well as supporting a broad range of business and broker customers. With an ever-changing workload, our modern workshop is equipped with the latest technology and manufacturer-specific diagnostic tools - it is a bustling, exciting place to be.

Key to your success is your ability to produce work that complies with the highest technical and quality standards and, above all, helps us deliver on our service commitment to customers.

About you

- You are a qualified Motor Vehicle Technician with a solid workshop background – whether the job at hand is routine servicing and maintenance or a more complex diagnostic, you will know just how to solve it.
- You come from a fast-paced background – you know how to work in a standard job time structure with a focus on producing compliant, high-quality work.
- You enjoy a broad mix of work - with servicing, general maintenance, warranty work and recalls across the wide range of manufactures within our fleet, you can be sure every day will present you with a new challenge
- You get involved in every part of our business – you take pride being part of the Northgate team and are keen to help colleagues with a hands-on, can-do approach to getting things done.
- You take pride in providing a great customer experience each day - you understand what is important to your customers and enjoy having a face-to-face relationship with them.
- You need to be passionate about customer service, standards of work and also have the ability to think outside the box when coming across challenges

As Motor Vehicle Technician, we offer:

- A competitive starting salary with quarterly bonus scheme.
- Additional employee benefits (including employee assistance, life assurance, pension, retailer discounts etc.)
- A clear career development pathway and our commitment to supporting your professional development through in-house and industry-recognised training.
- The opportunity to work with and service world-renowned automotive brands including Ford, Mercedes and Vauxhall.
